

Application

Online application

If you have an international university entrance qualification (school leaving or bachelor certificate that are not issued by a German institution), you must apply via uni-assist.de. You can find further information on application documents, deadlines and requirements on the website and on the profile site of the chosen programme: www.whz.de > Study > Incomings > Courses of Study.

Deadlines

Scan the QR code to get information about application deadlines for students with an international university entrance qualification. If you have a German university entrance qualification, please find the deadlines here: Studium > Studieninteressenten > Bewerbung > Bewerbungsfristen.
